INVITATION

embedED

SCOPE Galleries are pleased to invite you to the opening of EmbedED. Like artists embedded with the military, Karen Richards, Gareth Colliton and Andrea Radley joined the South West Healthcare Emergency Department for three months to observe staff and patients then make art in response to what they experienced. Experience it for yourself from:

14th November - 21st December 2014

RSVP mail@scopegalleries.com or 03 5561 4758 by November 13th 2014

**The exhibition will be opened
by GUY BEN-ARY at 6pm on
Saturday 15th November 2014.**

Guy Ben-Ary is a Perth based artist and researcher at the University of Western Australia. Recognised internationally as a major artist and innovator working across science and media arts. Guy specialises in biotechnological artwork, which aims to enrich our understanding of what it means to be alive.
